

# OZZYJUICE® SW-X1

## HIGH-PERFORMANCE DEGREASING SOLUTION

OzzyJuice® SW-X1 delivers exceptional cleaning performance to tackle the toughest burnt-on carbon, diesel exhaust fluid, and tacky heavy-duty greases. SW-X1 provides the same unique core benefits of all OzzyJuice® degreasing solutions; it contains only eco-friendly ingredients and is non-flammable, non-hazardous, safer for employees and better for the environment.

### FEATURES:

- Flash rust resistant
- Water-based
- pH neutral
- GHS non-hazardous
- VOC compliant
- Leaves no residue
- Formulated eco-friendly, non-polluting
- Non-corrosive, non-flammable and non-irritating
- Meets NSF A1

### APPLICATIONS:

- Diesel exhaust fluid
  - Engine parts, machinery and equipment
- Burnt-on carbon
  - Metal surfaces
- Tacky, heavy-duty greases
  - Open gear greases
  - Drive shaft couplings
